

### School News

This is the time of year that we are filled with mixed emotions as we say goodbye to our Year 6 leavers. We are so proud of how much they have accomplished and we are really going to miss them. We would also like to thank you, the parents and carers, for your continued support throughout the years and wish you all the best as you start this new journey with your child.

We look forward to welcoming our new parents in September and wish you all a fantastic summer break. School re-opens on the **3<sup>rd</sup> September 2024**.

Please remember to call the school office before 7.30am if your child is going to be absent.

#### Red Class

Some pupils from Red Class joined their friends from Green Class for a visit to the Butterfly House at the Horniman Museum. The pupils enjoyed making sounds using the instruments and exploring the gardens, before visiting the butterflies.

#### Pink Class

Pink Class has been learning about the activities we do in the Summer. The pupils enjoyed sitting together and eating their homemade tropical fruit ice lollies this week. In art we've been using warm colours to make sunset beach paintings. All the staff in Pink Class would like to wish everyone a restful Summer holiday and we look forward to seeing everyone back in September.

#### Yellow Class

Yellow Class children this week had a great session with the speech and language therapists. The children explored different textured resources and learnt the vocabulary related to them. They also continued to enjoy sensory stories during the week. They used props during different parts of the story, as well as BIGmacks, with pre-recorded messages. They liked activating the voices of the characters when they appeared in the story.

## Blue Class

The end of the year has arrived and recently we had the opportunity to celebrate International Day. The pupils at the Livity School enjoyed the day with their families and friends. Enjoy your Summer holidays!

## Orange Class

In Orange Class this week, the pupils had a great time. Our activities focused mainly on children's sensory needs, gross motor and fine motor skills. We also had our end of year assembly with Blue Class. This was an opportunity to share some goodies with our peers, sing and dance together.

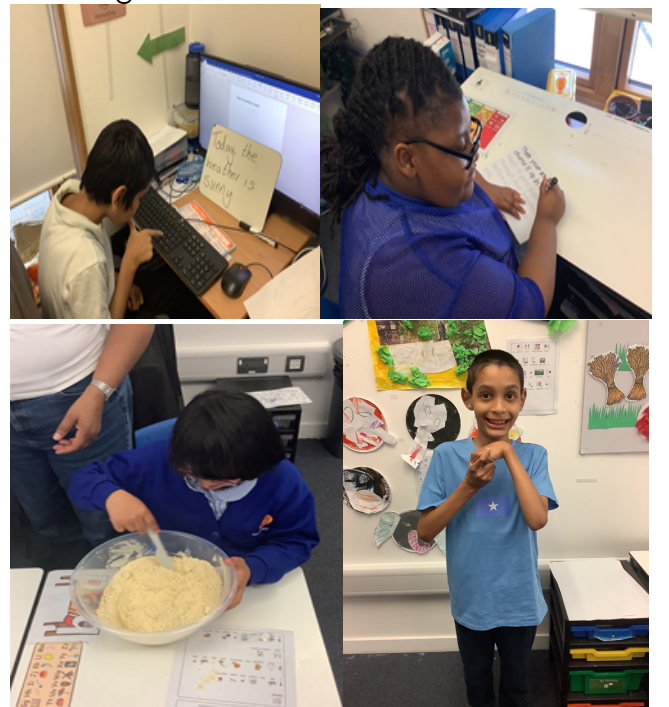

## Ladybird Class

Ladybird Class have experienced many opportunities to develop and flourish throughout the year. They have learnt to share and take turns with different toys and resources. They have also demonstrated good focus and attention during their independent work. They have developed their confidence and exploratory nature by dressing up and taking a great interest in toys, resources or real objects of references. We also had a wonderful trip to The London Aquarium.

## Rainbow Class

Rainbow Class have had such a good year. We've expanded our culinary prowess, we've learnt to write and type whole sentences, we've grown our creative spirit and we've had so much fun. We've really enjoyed learning together and have such amazing memories from all of it. We are now looking forward to the next year when we will make new memories with some new friends. We hope you have an amazing Summer.

## Green Class

Green Class really enjoyed a trip to the Butterfly House at The Horniman Museum. We liked exploring the lovely gardens as well as looking for caterpillars and watching the butterflies. We have also enjoyed celebrating the end of year with parties with our friends from other classes. We have had a great year and wish everyone a wonderful Summer.

## Purple Class

Purple Class are sad to say goodbye to each other but what a year we have had! We have worked really hard and have had lots of fun along the way. We finished off our year with a trip to London Zoo, where we loved seeing lots of different animals and spending time with our friends. Well done Purple Class and have a great Summer holiday!

## Butterfly Class

This year in Butterfly Class we have had a great time learning, exploring, playing and experiencing. Our topics across the year have given us fun opportunities to discover new things in different ways. We have made so much progress in our physical development and communication skills. Our teachers are very proud of us and have celebrated our achievements throughout the year in our assemblies.

## Bumblebee Class

This week Bumblebee Class had an amazing trip to the London Aquarium. We saw some amazing fishes and sea creatures. The jellyfishes were our favourite. We also loved spinning the wheel machine we saw there. It was a great fun.

### Gold Class

This week the pupils in Gold Class practised counting and matching number-value using the interactive screen. The pupils became more independent in completing tasks at their work-station using and now-next board as visual support. The children followed the steps to complete a science experiment and commented on what happened when they added vinegar to the bicarbonate of soda in a toy volcano.

### Unicorn Class

This week in Unicorn Class we have been working on our motor skills. We have also been looking at life cycles and recognising the changes we go through as we grow.

### Silver Class

This week Silver Class visited the London Zoo. During the visit they saw several animals such as tigers, donkeys, monkeys, zebras, giraffes and rabbits. This was a useful experience for the children as they can now relate what they read in our animal stories with real life.

### Don't Forget

All our term dates are available on our website <https://www.thelivityschool.co.uk>

On the website under 'Parents and Carers' you will find the link for **Parent Pay** where you can pay for school dinners and uniform.

If you have any issues with transport, please contact **London Hire** on the following numbers  
**Tel: 0208 187 5318 / 0208 187 5317 / 0208 187 5316**
