

The Livity School Weekly Newsletter

School News

The weather is getting colder. Please make sure your child has:

- **A warm, waterproof coat**
- **Hat, scarf and gloves**
- **Wellington boots / outdoor shoes**
- **A change of clothes, especially trousers, in case they get wet**

Please make sure that all items are clearly marked with your child's name

On Wednesday 27th November from 9.30 until 10.30 we will be holding a Wellbeing session for family members and carers of Livity pupils. The session will give an overview of different strategies you can use at home. This will be online. If you would like to attend please email admin@thelivity.lambeth.sch.uk who will send you a link.

Please remember to call the school office before 7.30am if your child is going to be absent.

Red Class

Red Class have been practising making things happen independently throughout their learning. We have also been enjoying ICT games on Helpkidzlearn and exploring motivating resources that we can move.

Pink Class

In Pink Class, we conducted a fun experiment with skittles, creating a colourful rainbow right before our eyes! The children were fascinated to see the skittles change when they added warm water, watching the colours dissolve and swirl across the plate. It was a hands-on learning experience full of excitement and discovery!

Yellow Class

In Yellow Class this week, some of our pupils have been exploring sensory trays linked to our story 'Leaf Man'. The pupils were able to investigate a range of different textures, colours and smells all linked to Autumn. In cooking we made bagel pizzas. We grated our own cheese and chopped our toppings before putting them in the oven. We thought they were delicious when we ate them at snack time!

Blue Class

This week we recreated our favourite scenes from our story 'Going on a Bear Hunt'. We explored thick oozy mud, snow swirling and whirling, the deep dark forest and the deep cold river.' We also learnt new sound phonemes and how to correctly form the letter name or grapheme. We also enjoyed the recreation of the northern lights from our Winter sensory story performers.

Ladybird Class

This week Ladybird Class have enjoyed exploring Christmas season resources whilst participating in a drama game workshop. They have enjoyed working in a group whilst making spiky caterpillars. They have also practised turn taking by playing games and sharing a toy with a friend. Ladybirds have also focused on learning and recognising their emotions. The children have been developing their fine motor skills through colour sorting activities.

Orange Class

This week Orange Class have been exploring whether items will float or sink in water. We tested a range of objects and then sorted them according to the results. Orange Class have also enjoyed making fairy cakes. We added different flavours of our choosing and then choose which mix we wanted in our cake cases. Vanilla and chocolate were the most popular.

Dragonfly Class

This week, Dragonfly children enjoyed their Intensive Interaction sessions in different positions. They also participated in a sensory show performed by the Embracing Arts team. The children actively participated by using the props and vocalising during the story.

Rainbow Class

Rainbow Class went to Elm Court and visited the science lab. Rainbow Class will be participating in weekly sensory science classes at Elm Court.

Green Class

In Green Class we have been enjoying our Attention Bucket sessions. We have shown great anticipation and realisation of different toys and objects. We have used our senses and different parts of our bodies to explore these objects in different ways.

Purple Class

Purple Class explored the scientific concepts of floating and sinking this week. They dropped

different objects in to water and observed if they stayed on the surface or sank down.

Butterfly Class

This week in Butterfly Class the children had a wonderful performance workshop. The children responded brilliantly and were very engaged in all the sensory experiences. This week in the music session with Kim, the children were fantastic and all made vocal contributions on the microphone.

Bumblebee Class

This week Bumblebee Class had a drama workshop. It had a Winter theme and involved our different senses. We enjoyed the music and exploring the different materials and textures.

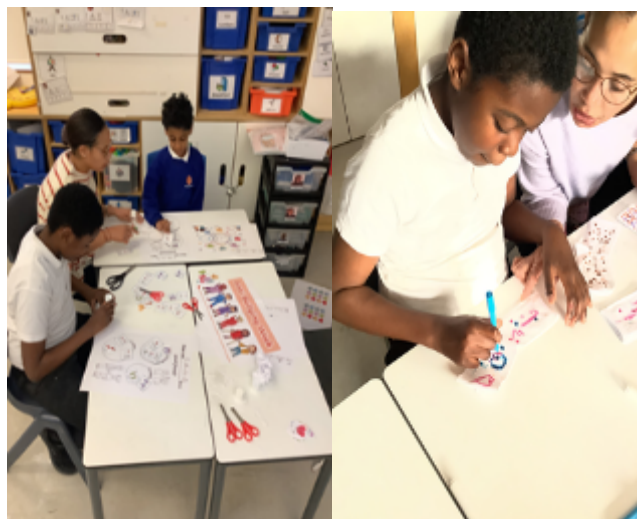

Gold Class

This week, Gold Class enjoyed a sensory walk through our Sensory Garden to pick sticks and twigs. The pupils followed the steps to make a hedgehog using the sticks. We then used the hedgehogs as part of our story, 'One Winter's Day'. The pupils also worked on their fine motor skills and developing hand strength while decorating socks for Anti-Bullying week.

Silver Class

This week in Silver Class, the children participated in activities that focus on preventing bullying, showing respect, and celebrating differences. They learnt how to use kind words to help others feel good about themselves. The children are also discovering how to stay safe, be kind, and understand that they are special. Additionally, they are practising sharing, using kind hands, listening well, and taking turns.

Unicorn Class

This week in Unicorn Class in maths we have continued to work on multiplication whilst others focused on 2 and 3 digit addition. We have also been roleplaying different characters and acting out stories we have wrote in small groups.

Don't Forget

All our term dates are available on our website
<https://www.thelivityschool.co.uk>

Tuesday 17th December – School production
